

Simplifying Small Business

Quoting small business can be a tedious process. Instead of requiring hundreds of questions, our carrier's platform does all the hard work to deliver insurance in minutes, not days or weeks.

- Businessowners' Policies (BOP) and Commercial Liability Excess Policies available in minutes
- Troublesome underwriting questions and ACORD applications are replaced with external data
- Appetite in over 370 ISO classes including:
 - Service Contractors, Offices, Restaurants, Retail, Services, Wholesale
 - Lessor's Risk is available
- Eligibility up to:
 - BOP Property values of \$7.5 million per location, or total policy up to \$15 million total insured value
 - \$20 million annual sales per account & \$10 million per location
- 50,000 square feet per location
- 50 employees per account
- BOP available in 38 states with significant coastal catastrophe capacity available on an admitted basis. Expanded geographies coming soon.
- Additional coverage extensions available including cyber, equipment breakdown, EPL, hired & non-owned auto, liquor liability, and professional liability for select classes
- Excess Liability coverage up to \$10 million is available over the BOP and any other eligible Commercial Auto and Employer's Liability policies
