

VOLTA'S NEW WORKERS' COMPENSATION PROGRAM

Atlas General Insurance Services has added a new workers' compensation market to its portfolio of carrier partners. Accredited Surety & Casualty Company, a wholly owned subsidiary of Randall & Quilter Investment Holdings, Ltd., recently expanded its offerings to include workers' compensation and selected Atlas as its exclusive underwriting and distribution partner based on our substantial expertise. In business for over 45 years, Accredited is a Florida domiciled insurer that is U.S. Treasury listed and licensed and admitted in all 50 states as well as the District of Columbia with offices in Orlando and Atlanta. Below is a brief overview:
